Programming in conjunction with:
Soak up its warm breezes and the latest in neuro-interventional advances when you join us for the SNIS 20th Annual Meeting at the Marriott Marquis San Diego Marina July 31-August 4, 2023.

San Diego is the ideal place to balance work and play: Spend your days getting your products and services in front of customers eager for new and better ways to do their work, and your evenings exploring the coast. The hotel is located on a private marina with proximity to world-renowned attractions, like Balboa Park, the Gaslamp Quarter, and Petco Park – home of the San Diego Padres. Redesigned indoor and outdoor spaces will ensure your time at the Annual Meeting engages both your intellect and your imagination.

This year’s meeting – which will be conducted in the popular hybrid format – marks two decades of bringing together the brightest minds in our field. The program and special offerings are sure to attract an engaged and energized participant base; the Annual Meeting enjoys a strong scientific reputation, where neurointerventionalists showcase new developments in research and treatment. Also, there is always a strong undercurrent of how this work changes lives, and how the society continues to push its own high standards: SNIS’s advancements through the Get Ahead of Stroke® campaign as well as a steadfast focus on diversifying the field and exploring the next 20 years of neurointervention are sure to spark dynamic conversations.

We’re excited to continue the lunch sessions feature that debuted last year, which provides a perfect opportunity for exhibitors, advertisers and sponsors to show attendees how your own research and development have moved forward in the last year. Likewise, we are pleased to welcome back our partners in scientific programming: the AANS/CNS Joint Cerebrovascular Section, led by Vernard Fennell, MD and the European Society of Minimally Invasive Neurological Therapy (ESMINT), led by Paolo Machi, MD.

This prospectus contains details of available sponsorship and exhibit opportunities for 2023, as well as the benefits associated with each opportunity.

Join us and develop relationships with neurointerventional physicians and decision makers, while enhancing awareness of your brand in the field.

We hope you’ll come along to celebrate and champion the field of neurointervention while carving out a little time for fun in the sun!

Booth Demonstrations
Based on the success of the format last year, we are continuing the industry-sponsored lunch demonstrations. The vision is a more mobile, TED Talk-like format to showcase the interests of each company. We think this format will be engaging, interactive and fun.

The sessions will take place in the exhibit hall on Monday, Tuesday and Wednesday, and each company will set up their demonstration in their booth. Meeting attendees will be able to pick up their lunch, and then they will join the moderators in a walking tour of the demonstrations. Each company will have 10 minutes to present, and the moderators will help to engage with any questions/discussion, and to keep each demonstration within its allotted time. After a company’s presentation is over, the group will walk to the next booth for the next demonstration. SNIS will not provide CME credits for these booth demonstrations. Content for your time is at the discretion of each industry sponsor.

Booths
Inline booths (10’x10’ minimum or multiple thereof) have only one side exposed to an aisle and are arranged in a series along a straight line. Display materials must be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. An identification sign will be supplied for all booths. Booths will have an 8’ high draped back wall and 3’ high side drapes. Any construction that extends above the 36” high side rail dividers shall not extend more than one-half of the distance from the back wall of the exhibit, nor will any display be allowed to limit or otherwise interfere with other exhibits. Please see the back of the registration form for a complete list of rules and regulations.

Island booths are any size booths exposed to aisles on all four sides (20’x20’, 20’x30’ or 30’x30’). SNIS management will consider free-form designs and their effect on surrounding exhibits as factors in assigning exhibit space. Please see the back of the registration form for a complete list of rules and regulations.

All exhibitors will have a profile in the mobile app and on the virtual meeting platform.

Women in Neurointervention Dinner
Show your support for our amazing female neurointerventionalists by sponsoring the “Women in Neurointervention” Dinner. This CME-accredited event will feature a guest speaker, panelists and important discussions about issues facing the growing number of women neurointerventionalists. This popular annual event is open to anyone registered for the SNIS Annual Meeting. As a sponsor of this event, you will receive recognition on the sponsor slides shown during the event as well as two (2) invitations to the dinner.

Oral Poster Reception
Based on the success of this reception in 2022, we are continuing to dedicate a session to showcase novel science through oral posters. On Monday afternoon, there will be an oral poster reception highlighting this year’s most exciting research. Take this opportunity to sponsor the latest and greatest research in our field. Drinks and light appetizers will be served as moderators take attendees on tours of the posters.

Diversity, Equity & Inclusion Reception
Once again this year, to continue to highlight our Diversity, Equity & Inclusion Committee, we are hosting a reception on Monday evening that will showcase the exciting initiatives that this committee has undertaken this year as well as introduce some new ones. Take this opportunity to sponsor this instrumental and vital committee and its important work. Drinks and light appetizers will be served.

5K Sponsorship
Once again, we are “Running for Research” this year. This exciting sponsorship offers industry the “inside track” on supporting the SNIS Foundation, a separate entity specifically founded to underwrite research and educational opportunities that advance the practice of neurointervention. Join us at the starting line and have your logo featured prominently on the race number cards and T-shirts of SNIS runners. It’s a great way to support our mission in a forum that is symbolic of the energy, stamina and pursuit of excellence that is pervasive in our continually evolving field.
Hotel Room Keys
Your company’s logo and message will be displayed on all of the room keys distributed at the SNIS headquarters hotel.

Pads/Pens
Your company’s logo will be displayed on 8 ½” by 11” pads of paper and attractive pens distributed at the SNIS Registration Desk.

Badge Lanyards
Let each participant promote your company name for you! This highly visible sponsorship reminds participants of your continued support of the SNIS Annual Meeting with every look at a name badge.

Bottles of Spring Water
Take this opportunity to quench the thirst of all attendees by sponsoring bottles of water which will be available throughout the meeting. Your logo and message will be displayed prominently on the bottle.

Mobile App Sponsorship
Based on the continued success of the mobile app at the Annual Meeting, we are offering this meeting enhancement once again this year. The app will run on all platforms (Apple and Android) and will be the go-to resource for our attendees. With your sponsorship, you receive two (2) banner ads and two (2) push notifications. These ads and push notifications are also able to be viewed by our audience on the virtual platform during the meeting and the ads will display on-demand for months after the meeting.

Breaks
Each break brings all attendees into the exhibit hall. Your company’s logo will be displayed on napkins and cups to let everyone know who to thank for the food and beverage. Your company will also be able to give input as to the type of food offered at the break.

Note: Napkins and cups are to be provided by the sponsoring company.

Ads
Take this opportunity to reach all attendees by placing an ad in the final program which is handed out to all attendees of the meeting. Full and ½-page ads are available.

Lead Capture
We are very excited to offer all exhibitors the opportunity to purchase the lead capture module compatible with our mobile app. With the lead capture module, exhibitors can easily scan, qualify and rate the leads with whom you engage at the conference. You can add custom questions to collect the information most important to you and export your leads on-demand.

Exhibit Hall Videos
Share an informative video with attendees this year! Purchase one-minute time spots to play videos of your company/product on the big screen in the exhibit hall during breaks. You can showcase a new product, demonstrate a new technique, or highlight a new study.

Note: Videos are supplied by the sponsoring company and will be shown during 2.5 hours of non-CME time in the exhibit hall. Regulatory compliance is the responsibility of the sponsoring company.

Auxiliary Meeting/Tech Suite Requests – deadline June 23, 2023
If you require meeting room space for company sales meetings or other SNIS approved activities, you are required to complete this form and return it to Marie Williams Denslow by June 23, 2023. Auxiliary meeting space will be assigned on a first-come, first-served basis, and space assignments will be confirmed by July 7, 2023.

Note: The SNIS prohibits the scheduling of exhibitor/sponsor events, including those for company personnel only, whether they are scientific, technical, or social, at times which conflict with the society’s scientific program activities. Only vendors exhibiting at the SNIS Annual Meeting will be able to reserve function space at the SNIS headquarters hotels during meeting dates. Please see the request form for further rules and regulations.

2. USE OF EXHIBIT SPACE
A. ASSIGNMENT AND SUBLEASE – Exhibitors shall not assign, sublet or share the whole or part of their exhibit space without written consent of SNIS. No person, firm or organization that has not contracted with SNIS for space will be permitted to display or demonstrate any products, processes or services, to solicit orders, wear identification other than that of the contracting exhibitor without SNIS prior written consent, or to distribute advertising materials at the Show. Any infringement of this regulation will result in prompt removal of the offending person from the Show.

B. PROHIBITED ACTIVITIES – No activities are permitted in any exhibit space that are contrary to law or the rules of the Show, or which will disturb exhibitors in the immediate area. Exhibitors must remain within their own exhibit space in distributing literature, product samples or other materials. The aisles may not be used for this purpose. Exhibitors may not serve or dispense food or beverages of any type from their exhibit space without prior approval of SNIS.

C. SAFETY PRECAUTIONS – All construction material must conform to standard safety practices. All display material and decorations must be flame retardant. Displays are subject to inspection and approval for safety by the Marriott Marquis San Diego Marina, SNIS Show Management and the local fire department.

D. DISMANTLING – Exhibits may not be dismantled before the close of the Show. Exhibits must be removed by the Exhibitor from the premises no later than the time indicated in the official exhibitor service kit. Exhibitor shall be liable for all storage and handling, holdover and/or overtime charges resulting from failure to remove exhibit material from the Show before conclusion of the dismantling period as specified by SNIS.

E. MATERIAL HANDLING – Any exhibit materials delivered/shipped to the host facility not ordered directly thru the appointed service contractor will be subject to material handling.

F. NOISE LEVELS – Exhibitors operating sound-reproducing equipment will be expected to keep the sound volume level emanating from their exhibits below 85-decibels in order to avoid disturbing other exhibitors. Island Exhibit Booths
An Island Booth is any size booth exposed to aisles on all four sides. An Island Booth is 20ft x 20ft or 30ft x 30ft, although it may be configured differently. The entire cubic content of the space may be used up to the maximum allowable height of 14ft including signage.

Hanging Signs & Graphics: Due to ceiling configurations, rigging of booth properties is NOT allowed. All exhibitor properties must be ground supported. SNIS continues to appreciate and embrace our sponsor and exhibitor partners. We want to ensure that each of you feel that you are getting the most out of your attendance at the SNIS Annual Meeting without sacrificing the experience of the attendee. To that end, we have instituted marketing rules regarding signage around the meeting.

No signage or marketing materials of any sort can occur at the SNIS host property during any of our program dates without the full consent and approval of SNIS. Freeman is developing a Branding Guide for the Marriott Marquis San Diego Marina Hotel and is serving as the exclusive provider of branding services for the SNIS Annual Meeting. This guide should be available soon. Once you complete the form below, SNIS will review your submission and provide you with a sponsorship cost. Please note that you will be responsible for coordinating and incurring any cost associated with the production, setup and breakdown of the marketing materials as well as any hotel branding fees.

If SNIS finds that any marketing has been set up without prior consent, we will have the right to require the materials to be immediately removed, fine the company responsible and dock exhibitor points.

If you need more information please contact Chad Robertson at (703) 691-2272 or robertson@snisonline.org.

The deadline for submitting your request: Friday, June 2, 2023.
